ABOUT THE PROGRAMME

The Department of Computer Science and Engineering was established in the year 1998-99 and is accredited by National Board of Accreditation. The Department is committed to create a culture that encourages technological innovation and exploration of the latest advances in the rapidly changing field of Computer Science. The department has highly qualified and dedicated team of faculty members who work towards creating an academic industrial environment through continuous interaction with the leading software industries and organizing Guest Lectures, Industrial visits, In-plant Training, Internship Programmes, Value Added Courses and FDPs.

VISION

To conceive our department as centre of academic excellence by catering quality education with ethical standards.

MISSION

To create a conducive atmosphere to achieve active professionalism by fortifying academic proficiency with ethical standards and to enhance the confidence level to develop sustainable solutions to upgrade the society forever.

ABOUT THE FDTP

The major focus of the FDTP is to provide a forum for researchers and academicians for exchanging ideas and views to boost their acumen. This programme has been designed with the view to give practical exposure on Sensor Networks..

RESOURCE PERSONS

Faculty members and Experts from Anna University, other premier institutions & IT industry.

REGISTRATION

There is no registration fee for the Faculty Development Training Programme. Selection is on first come and first serve basis.

Kindly send the filled scanned copy of registration form to fdtpasn@saec.ac.in
