ABOUT THE INSTITUTION

S.A. Engineering College, named after SAKUNTHALA AMMAL, was established by the Dharma Naidu Educational & Charitable Trust in the year 1998-99. The college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai, Tamil Nadu. The College is well-planned with more than 4 lakhs sq.ft of constructed area. In recognition of quality system of high caliber being implemented in this college, M/s RWTUV, (Now TUV NORD) has awarded ISO 9001:2008 Certification to the Institutio. The college accredited by the National Board of Accreditation (NBA) and NAAC with 'A' Grade. The college offers the following 6 undergraduate and 7 postgraduate programmes.

BE	Computer Science and Engineering
BE	Electronics and Communication Engineering
BE	Electrical and Electronics Engineering
BE	Mechanical Engineering
BE	Civil Engineering
B.Tech.	Information Technology
ME	CAD & CAM
ME	Computer Science and Engineering
ME	Communication Systems
ME	Embedded Systems Technologies
ME	Power Electronics and Drives
MBA	Master of Business Administration
MCA	Master of Computer Applications

The college maintains high standard of education by providing a wide array of world class academic facilities, employing highly qualified and experienced faculty members and creating an ambience conducive for quality education. The management motivates all students to find a niche in the society by providing quality education, discipline, high level of placement and Research Paper Publication.

LOCATION

The College is located on the highway from Poonamallee to Avadi High Road at a distance of about 1 Km from Poonamallee Bye Pass Road of the Chennai - Bangalore National Highway (NH4) and at a distance of 20 Km from Chennai Central Railway Station.

CONFERENCE THEME

The Conference is an ideal forum for researchers to share their findings and thoughts with their fellow researchers across the world. This conference will serve as a platform for fruitful interaction among Research Scholars, Scientists, Academicians and members in the Industry.

The main objective of this conference is to create awareness and to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest developments and advances in the field of Engineering & Technology. This conference reflects the current focus of global research, recent developments, challenges and emerging trends in the field of Information, Communication & Embedded technologies.

CALL FOR PAPERS

Topics of interest include, but are not limited to the following :

- Network Security
- Pervasive Computing
- Cloud Computing and Advanced Computing Technologies
- Mobile Computing and Sensor / Adhoc Networks
- Data Mining and Knowledge Discovery
- Advanced Networking and Applications
- Information Security & Information Retrieval
- Internet of Things
- Artificial Intelligence & Soft Computing
- Big Data and Analytics
- Computer Applications in Web Services, Bioinformatics, Global Optimization Problems, Multimedia Technologies, etc.
- Grid Computing
- 4G/5G Wireless Technologies
- Advanced Communication Systems
- Optical Communication & Networking
- Speech Processing
- Green Computing
