About XOME SERVICES INDIA PRIVATE LIMITED (Formally Known as Solutionstar India)

XOME is headquartered in Lewisville, Texas and was founded in 2012 an indirectly held, wholly owned subsidiary of Nationstar Mortgage Holdings, Inc., a leading provider of residential mortgage services.

XOME is a leading provider of technology and data-enhanced solutions to consumers, real estate agents and companies engaged in the origination and/or servicing of mortgage loans. XOME intends to transform the home buying experience through the utilization of a next generation real estate exchange and the delivery of quality residential real estate services.

XOME's real estate exchange includes an online auction site, HomeSearch.com, and a suite of online marketing, data, analytics and transaction management services that facilitate the efficient exchange of homes over an internet-based real estate marketplace.

XOME's real estate services include title, close, escrow, and valuation and asset management services.

XOME conducts services for a wide range of organizations in the residential mortgage industry including mortgage servicers, mortgage originators and law firms. We strive to be the vendor of choice for consistent and high-quality real estate services.
