The college maintains high standard of education by providing a wide array of world class academic facilities, employing highly qualified and experienced faculty members and creating an ambience conducive for providing quality education.

LOCATION

The college is located on the highway from Poonamalle to Avadi Main Road at a distance of about 1 Km from Poonamalle Bye Pass Road of the Chennai - Bangalore National Highway (NH4).

VISION & MISSION OF THE INSTITUTION

To transform our institution into quality technical education center imparting updated technical knowledge with character building.

To create an excellent teaching and learning environment for our staff and students to realize their full potential thus enabling them to contribute positively to the community. To significantly enhance the self-confidence level for developing creative skills of staff and students.

ABOUT COMPUTER SOCIETY OF INDIA

The seed for the Computer Society of India (CSI) was first shown in the year 1965. The organization has grown to an enviable size of 1,00,000 strong members consisting of professionals with varied backgrounds including Software developers, Scientists, Academicians, Project Managers, CIO's, CTO's & IT vendors to just name a few. It has spread its branches all over the country. Currently CSI has more than 500 student branches and rooted firmly at 73 different locations.

ABOUT SAEC-CSI STUDENT CHAPTER

The CSI Student Chapter of S.A. Engineering College, Chennai has been registered during the academic year 2009-2010 and comes under the Region VII of CSI.

The college owes an Educational Institution Membership of CSI and the membership has been renewed every year. At present the chapter has 575 student members from the departments of CSE, IT and MCA. CSI Student Chapter organizes various events like Workshop, Seminar, Symposia Guest Lectures, Value Added Courses, Inhouse Technical Events, periodically with the motivation of imparting quality par with elite standards and to make our students as visionary leaders in the society.

OBJECTIVE OF THE CONVENTION

The main motive of the State Level Student Convention is to bring out the competitive skills of students from within themselves and participate among different technical events. It acts as a forum for exchanging technical innovative concepts and emphasizing the role of students in converting intelligence with excellence.
