

S.A.Engineering College, Chennai-77.
Department of Electrical and Electronics Engineering

Professional bodies like IEEE and ISTE are concerned with the growth and observation of professional educational programs, and thus perform technology updates through conferences, seminars, tutorials and workshop at nominal rates. It is a forum for activities like Paper Presentations, Quiz, Competitions and Exhibitions that connects distinguished academicians, researchers and practitioners. Also, it creates opportunity to interact with industry professionals and chalk out a career path.
