HUMANITIES AND SCIENCE

DEPARTMENTS AND ITS ACTIVITIES HUMANITIES AND SCIENCES DEPARTMENT

The Humanities and Sciences is headed by **Mr. T. SENTHILKUMAR** and by **Mrs .A. CHANDRAVADHANA**. The Department has enthusiastic and dynamic faculty who strive to achieve excellence in teaching-learning process. The Department incorporates the faculty of Chemistry, English, and Mathematics & Physics. It also comprises Physics & Chemistry labs and the English Communication Skills Lab for third year engineering students. The first year students of all Engineering branches are equipped with the strong quintessential knowledge of their subjects under the guidance of this department. The department meritoriously organizes various events like Guest Lectures & Seminars for the enrichment of the staff and students.

Some of the important activities pertaining to the H&S Department are highlighted below:

“Nano Chemistry” on 11-11-13 by Dr. K..S. Nagaraja, Research Scientist, Loyola Institute Of Frontier Energy (LIFE) and “Motivation Campaign” on 29.08.13 by Dr.V.Thyagarajan, Retd. General.

.

EXTRA-CURRICULAR ACTIVITIES

Various social events were conducted in this academic year by Social Service committee of our college and a few are listed. One day meditation camp, One day Medical camp, NSS-village Camp, Dengue fever awareness programme, 25th Week Road Safety Awareness Marathon Walk, National Voter’s Day celebration rally, One Day Blood Donation Camp, Marathon, Consumer Protection act in Telecom Sectors, and One week NSS camp at Sundaracholavaram and Thiruverkadu villages were conducted for the betterment of the society.

I year B.E/B.Tech students participated in “ONE DAY MEDICAL CAMP” conducted by NSS/YRC UNITS IN ASSOCIATION WITH LIONS CLUB INTERNATIONAL (Dt. 324-5A) on 10.09.2013 and I year B.E/B.Tech students participated in “NSS CAMP” at Sundarachozhapuram & Puliyanbedu Villages From 07.10.2013 to 12.10.2013 and .I year B.E/B.Tech students participated in “ISTE AWARENESS”. Dr.T.G.Sambanthan, EDP Manager &Head National Institute of Technical Teacher’s Training & Research on 21-10-2013.

STUDENT TRAINING PROGRAMME

1. S.A. Engineering College Meditation Awareness Programme on 04.09.2013 In the College Auditorium, S.A. Engineering College, Main block, seminar hall.
2. One day medical camp on 10.09.2013 by NSS / YRC units in association with Lions Club International (Dt.324-5A) College Auditorium,
3. SAEC Workshop & Seminar on GRE 18.09.2013 Jamboree Education Pvt Ltd Nungambakkam Chennai, At College Auditorium,
4. SAEC Motivation programme on 19-09-2013 MR. JAYAPRAKASH A.GANDHI Career Consultant and Analyst.
5. NSS CAMP @ Sundarachozhapuram & Puliyambedu Villages From 07.10.2013 to 12.10.2013 NSS Committee
6. College Auditorium, SAEC ISTE AWARENESS 21-10-2013 Dr.T.G.Sambanthan EDP Manager & Head National Institute of Technical Teacher's Training & Research

ARTICLES

That is the way of our lives. What's inside us make us to achieve success is **ATTITUDE**. Our attitude resolves how we look at an impede. It all depends on one's perception. For an optimist it is a stepping stone to success. For a pessimist it is a stumbling block. One should be able to identify one's attitude and stream it in such a way as a stepping stone to success. We have all resources, talents and positive attitudes, but we all will be waiting for the opportunity to be dropped on our hand. The fact is, opportunities never come in hand. We should grab it when it knocks the door. Even grabbing it matters a lot..

ATTITUDE

To a negative attitude person who cannot recognize the opportunities, will complain of noise when it knocks. One cannot be called a complete human being if one has arms & legs, eyes & ears, a heart and a brain. Those who can take right decision at the right time with a positive attitude can be called so. That is why it is so crucial for many of us to take right decision. A right decision at the wrong time becomes the wrong decision any way.

What frames our attitude? 3 E's – Environment , Experience and Education. These 3 E's may vary from person to person but the positive approach towards these three will surely fetch the 3 E's – Employability, Efficacy & Estimation.

People with positive attitudes have certain personality traits that are easy to recognize. They are caring, confident, patient and humble They have high expectations of themselves and others.

They anticipate positive outcomes. A person with a positive attitude is like a fruit of all seasons. He is always welcome. Hence friends, identify your attitude, make it positive and step ahead to achieve success in all accomplishments

ABOUT THE DEPARTMENT

- ✓ **Strengthened with highly qualified faculty members.**
- ✓ **Intake of 840 with six branches.**
- ✓ **Student members -IEEE, ISTE and CSI.**
- ✓ **Faculty members - attending National/ International Conferences, Workshop, Seminar, Short term training programme and FDP periodically.**
- ✓ **Excellent infrastructure, Laboratory facilities, Departmental library and Seminar Hall.**

Programmes Conducted –

- ✓ **Bridge Course**
- ✓ **Motivational Programmes**
- ✓ **Placement Training -To improve the logical, analytical thinking and aptitude skills**
- ✓ **Soft Skills Training for Communication skill and other skills**
- ✓ **Guest Lectures**
- ✓ **Cultural Programmes**
- ✓ **Club Activities**

- ✓ Sports Activities
- ✓ NSS, YRC, Women Empowerment Cell Activities
- ✓ Encouragement for students to participate in symposium & sports activities

VISION

***To transform the students into eligible Engineering students possessing the basic knowledge of Science and Engineering with a substantial skill of communication.**

MISSION

To contour the students with the basic Science and Engineering credibility to pursue the technical education.

To create a comfortable learning and teaching ambiance for the staff and students enabling them to identify and enhance the potentials to face the futuristic challenges surpass the learning.

Details of Guest Lectures and Work Shop Conducted for the Students

Guest lectures: 2015-2016 (even)& (odd)

- ❖ **Dr. C. Vijayalakshmi, Professor, VIT delivered a Guest Lecture on Mathematical Application in Engineering on 05.02.2015**
- ❖ **An ISTE Awareness Programme was conducted on 27/10/2015 and the speaker was Dr. G. B. JaiprakashNarain,Former Director, National Institute of Technical Teacher's Training & Research**
- ❖ **On 28/10/2015, a Guest Lecture was delivered by Dr.T M Sridhar, AP, University of Madras on "Nano Chemistry"**

DEPARTMENTAL ACTIVITIES

- ❖ **The Department has organized "Motivational programme" for first year students by the mastery-speech of Mr.Jayaprakash Gandhi on 09.10.2015**
- ❖ **H & S Dept. and Bohra Eye Clinic jointly organised one day Eye Screening Camp on 28th Aug.2015**
- ❖ **Ist B.E/B.Tech Students Part-Took In Human Rally On Dengue Awareness Program (20.10.2015)**
- ❖ **H&S Dept. Tie – up with Star Health Insurance Conducted One day Medical Camp on 12th Sep. 2015**
- ❖ **H&S Department actively participated in Flood Relief Camp on 03.12.2015**

Guest lectures: 2015-2016 (even)

- ❖ **A Guest Lecture was delivered by Dr. N. Harish Kumar, Professor, Department of Physics, IIT (M), Chennai on "Magnetic Properties"**

DEPARTMENTAL ACTIVITIES

- ❖ A programme was organized to give an insight to Entrepreneurship.
- ❖ Cultural events like mehendi, drawing, pot painting, oratorical (English & Tamil), creative writing, cookery competition, dance etc. were conducted to elicit the students' talents.
- ❖ Women Empowerment programmes were conducted for the girls on account of women's Day on March 8th.
- ❖ Soft Skills Training was given to the students.

PLACEMENT ACTIVITIES :2015-2016

- ❖ Conducted Placement Training classes for all students once a week in both semesters.
- ❖ Soft Skills Training Programme was conducted for all the students for 6 days (every week end)
