

## January newsletter

### School visit

Students from neighbouring schools visited our college campus on 6.1.2025. Students visited our department library, labs where the faculties and students shared their experiences and insights that they acquired from their area of study. It was an eye-opening event for the school students.

### **Pongal celebration**

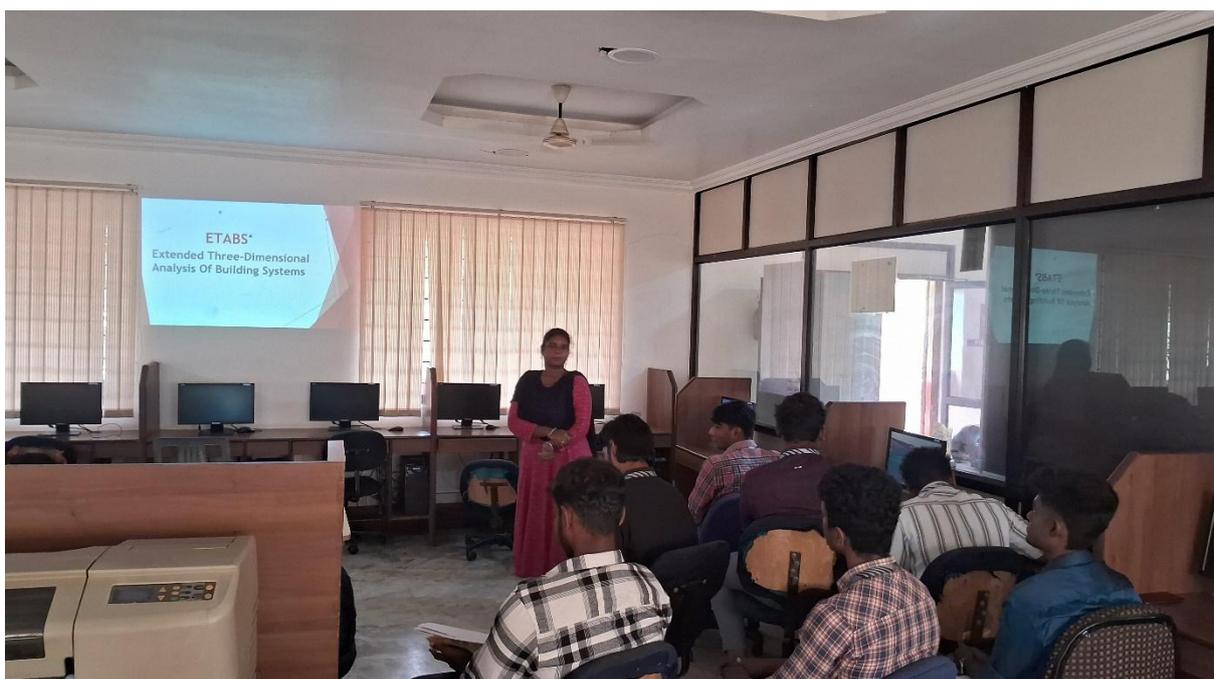

Pongal celebration was celebrated in our college. Students participated in traditional activities like Kolam (rangoli) competitions, cooking Pongal, and showcasing Tamil cultural heritage. This festival promoted togetherness among students, faculty, and staff, creating a warm, festive atmosphere. Activities like folk dance performances, music, and debate added energy and joy to the celebration. By exploring the origins and significance of Pongal, students deepen their understanding of Tamil traditions and agricultural roots. Incorporating eco-friendly practices, such as reusable decorations and sustainable cooking, added a modern touch to the celebration.

### **Value added courses**

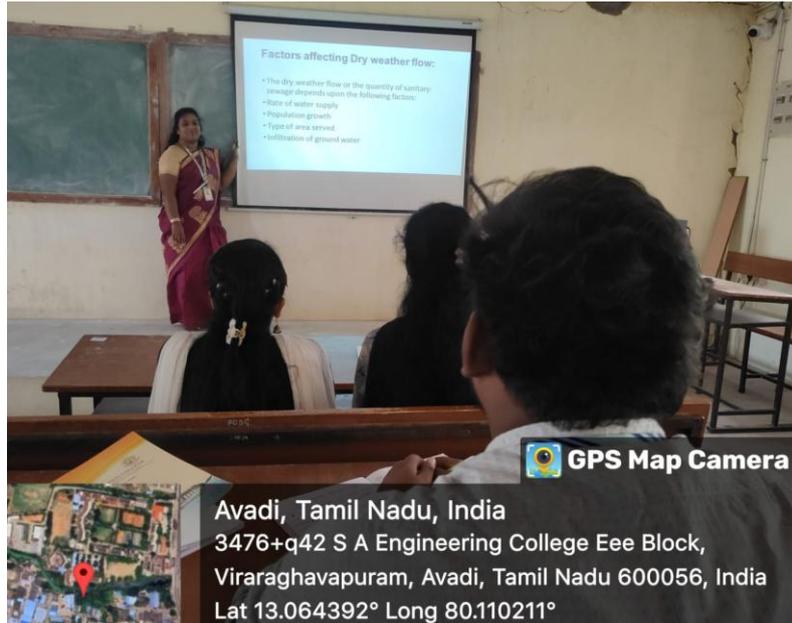

The Department of Civil Engineering Organized a Five Days Value Added Course on "ETABS" from January 20, 2025, to January 24, 2025, for III-year CIVIL Students at CADD LAB CIVIL Department, I Floor. The Trainer for the session was Ms. Ishwarya E, CADD SCHOOL PVT LTD, VADAPALANICHENNAI - 26. Students gained hands-on experience with ETABS, a powerful tool for structural analysis and design, enhancing their technical skills.

The Department of Civil Engineering Organized a Five Days Value Added Course on "Sketchup" from January 27, 2025, to January 31, 2025, for II-year CIVIL Students at CADD LAB CIVIL Department, I Floor. The Trainer for the session was Ms. Ishwarya E, CADD SCHOOL PVT LTD, VADAPALANICHENNAI - 26. Students gained hands-on experience with SKETCHUP, a 3D modelling software to design and visualize buildings, interiors, and landscapes in 3D, enabling architects to present their concepts effectively.

### Gate coaching class

Gate coaching classes for third year students of civil engineering department was conducted on 29.1.2025. The faculty members provide expert guidance to students on problem solving and strategic time management for the exam. Structured learning approach and continuous guidance deeply motivates the students to get good score, which enhances their career prospects and promotes higher studies.

**S.A.ENGINEERING COLLEGE**  
 (An Autonomous Institution , Affiliated to Anna University)  
 Accredited by NAAC with 'A' Grade & ISO 9001:2015 Certified Institution

**DEPARTMENT OF CIVIL ENGINEERING & DEPARTMENT OF MANAGEMENT STUDIES**

**PROUDLY ORGANISES ONEDAY WORKSHOP ON**

**INNOVATIVE APPROACHES TO SUSTAINABLE BUILDING AND HABITAT ENGINEERING : BRIDGING TECHNOLOGY, MANAGEMENT AND DESIGN FOR A GREENER FUTURE**

**EMINENT SPEAKER**

**23.01.2025**

**Dr.B.Vijaya**  
Associate Prof.

The Department of Civil Engineering and Department of Management studies is jointly organising one day workshop on innovative approaches to sustainable building and habitat engineering: bridging technology, management and design for a greener future on 23.1.2025 at 10.am. Dr.B. Vijaya,Associate Professor,Dr.MGR Educational & Research Institute,Chennai was the resource person for this online workshop.She gave insights and shared her expertise in the context of sustainable building practices.

### **Guest lecture**

The Department of Civil Engineering in association with Institutes Innovation council organised guest lecture on Basics of Remote sensing and GIS on 24.1.2025. The guest speaker Dr Karuppasami Sudalaimuthu Associate Professor SRM University Katankulathur shared his insights on innovative technologies and emerging trends in engineering. These lectures bridge the gap between theoretical knowledge and real-world applications, displaying how GIS and remote sensing are used in fields like urban planning, environmental management, and civil engineering.

## Competitive exam club

The Department of Civil Engineering organises Competitive Exam Club every Wednesday afternoon where students are motivated to take competitive exams like UPSC, TNPSC and other Group exams. Club incharge Mrs G.Deepana Assistant professor, Civil constantly motivates and guides the students to reach greater heights in life.
