

**MS.S.SARANYA**

**Assistant Professor**

Ms. S.Saranya, (**B.E (Civil), M.Tech (Structural Engineering)**), Assistant Professor in the Department of Civil Engineering, completed her B.E (Civil Engineering) in Velammal Engineering College, Chennai and M.Tech (Structural Engineering) in B.S.Abdur Rahman University, Chennai. She has 3 years of experience in teaching field and a year of experience in design field.

During her research period in M.Tech, she has published a paper on. "Behaviour of prestressed concrete beams strengthened with externally bonded fibre reinforced polymer laminates". Her areas of interest are Structural mechanics & Bridge Engineering. Her technical skills include Autocad, Staad Pro and Ansys.

She handles courses like Mechanics of solids, strength of materials, soil mechanics, hydrology, Engineering Geology, Design of RC elements, Design of steel structures, Engineering Mechanics, Repair & rehabilitation etc.
