

WOMEN EMPOWERMENT:

The meaning of Women empowerment means "Right to control". Women need right to control their assets, income, their own time. Women has social rights and Economic power also. In my point of view, main power is "Independent". She wants to stand independent in career and with their financial status.

women's need equality in workplace and need Payment equal to men. one of the best quote by Swami Vivekananda he said

"Countries and Nations which do not respect women have never become great nor will ever be in future"

women's are so important in developing country. Only with men country cannot be developed. Its equally about equal development in both women and Men side.

Women Empowerment should mainly focus on girls literacy, Gender ratio, Gender equality these become an important indicators of Development.

We call our Land, Motherland
we call our Language, Mother tongue

But when it comes to opening the way for them,
Men's are so stingy.

Many Women Empowerment cell have been introduced
to make them even great.

Some Women Empowerment cell is leading by a
women, And they provide many help for deservings.

Some of the Women's are entrepreneurs and
they are successfully leading their business.

Some of the Men's also supporting women's
for their equality and self respect.

Benefits of Women Empowerment adds Confidence,
leading their lives with dignity and freedom, financially
independent and the distinct Identity of their own.

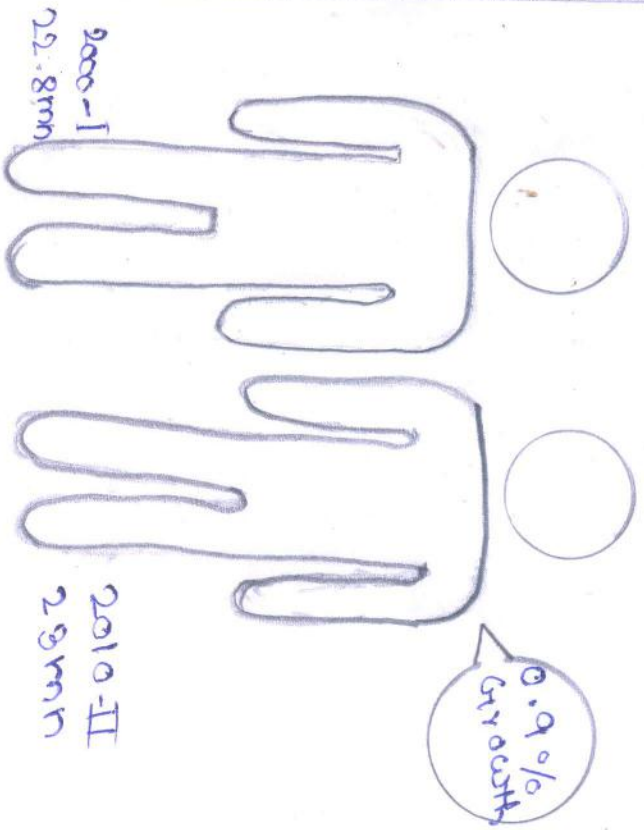

There are many women Activist to support
women's in difficult situations.

Now-a-days women's growth in career,
politics, Business, decision making, rights, speak up
their thoughts are grown well.

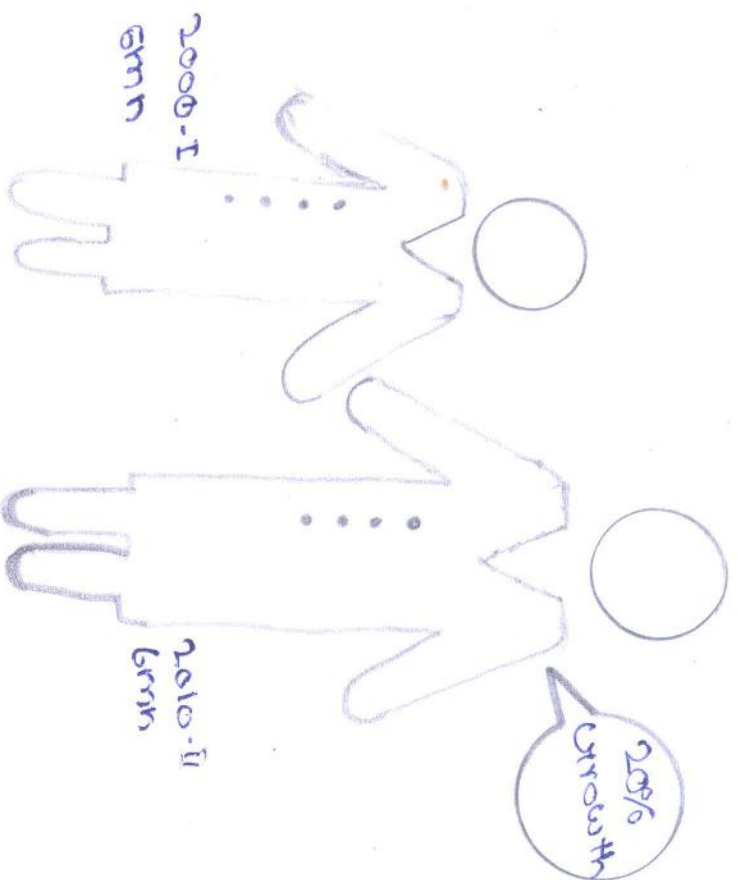

"Developing Women's will lead us to become
Developed Country"

Instead of dominating her, just let her to
fly above.
