Dear Sir / Madam | प्रिय महोदय / महोदया,

Greetings from the Bureau of Indian Standards!

As you may be aware, Bureau of Indian Standards (BIS), the National Standards Body of our country, is a statutory organization under the BIS Act, 2016. BIS gives utmost importance to safeguarding and protecting the interests of consumers. The role of standards in infrastructure and industrial development, as well as the availability of safe, reliable, and quality products to consumers, is well-known to you.

Every year, World Standards Day is celebrated globally on October 14, with the objective of raising awareness among regulators, industry, and consumers about the vital role of standardization in the global economy.

In light of this, we are pleased to inform you that the BIS Chennai Branch Office is organizing World Standards Day celebrations.

As part of these celebrations, we kindly request your esteemed institution, under the Standards Club initiative, to organize a day-long series of cultural activities such as **Street Play, Mime, Reels, and Meme's competition** related to the **Sustainable Development Goals (SDGs)**. These activities will help raise awareness about the role of standards in achieving global sustainability goals, while engaging students creatively.

Please plan these activities to take place on one day during the first week of October 2024.

BIS is happy to extend financial support of ₹60,000 towards the successful conduct of these activities. Kindly submit a detailed proposal for the above activities at your earliest convenience.

We look forward to your positive response and participation in making the World Standards Day celebrations a grand success.
