

**S.A. ENGINEERING COLLEGE, CHENNAI-600077**  
**(An Autonomous Institution, Affiliated to Anna University)**  
**RESEARCH ADVISORY COMMITTEE**

The Research and Development (R&D) division at S.A. Engineering College is dedicated to advancing research excellence and fostering the development and application of benchmarks in diverse academic and professional domains. The R&D unit plays a pivotal role in monitoring key research parameters, which include:

- **Paper Publications:** Ensuring quality and impactful scholarly contributions.
- **Patent Publications:** Promoting innovation and intellectual property rights.
- **Memoranda of Understanding (MoUs):** Strengthening academic and industry collaborations.
- **NPTEL Courses:** Encouraging students and faculty members to continuously learn through online certification programs.
- **Research Grants:** Facilitating funding for innovative research projects.
- **Event Grants:** Supporting the organization of conferences, workshops, and seminars.

To streamline these activities, the **Research Advisory Committee (RAC)** has been constituted, comprising members nominated to guide and oversee research initiatives. The committee works in alignment with the institution's research promotion policy and adheres to the ethical standards established in the **Code of Ethics of SAEC**.

This approach aims to create a robust research ecosystem that contributes to academic excellence, innovation, and societal impact.
