DEPARTMENT OF CIVIL ENGINEERING

COMPETITIVE EXAM CLUB

Date : 05.02.2025

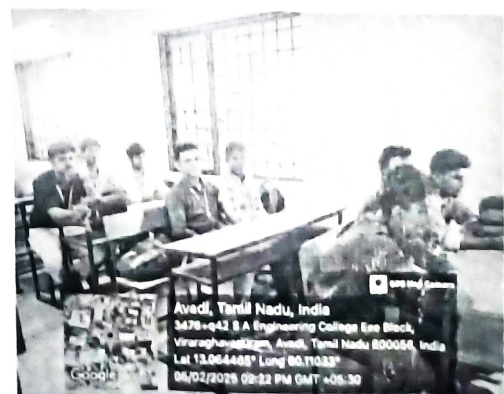

This week, the Competitive Exam Club, under the Department of Civil Engineering at S.A. Engineering College, conducted an insightful session focusing on the **Tamil Nadu Public Service Commission (TNPSC)** examinations. The session provided students with a comprehensive introduction to TNPSC, covering the latest exam notifications, various exams under TNPSC, their syllabus, and essential study materials. Guidance was also given on where and what to study for effective preparation.

To streamline preparation based on students' interests, participants were divided into five groups:

- **Group A** – UPSC Preparation
- **Group B** – TNPSC Preparation
- **Group C** – RRB Preparation
- **Group D** – SSC Preparation
- **Group E** – Bank Exam Preparation

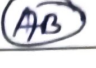

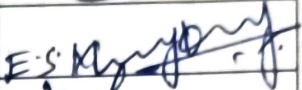

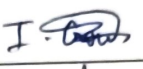

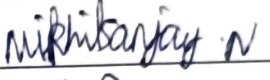

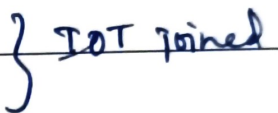

To enhance engagement and reinforce learning, the club has introduced a **daily quiz initiative**. The quizzes will primarily feature **previous years' questions** from various competitive exams, ensuring that students gain familiarity with the exam pattern and important topics. This initiative aims to encourage active participation, improve problem-solving skills, and enhance students' confidence in facing competitive exams.

The Competitive Exam Club remains committed to providing valuable resources and guidance to help students excel in their respective career aspirations.
