STALL IN IDEATION DAY

Date: 7TH February 2025

Venue: IT Department

Conducted By : MBA Department

On 7th February, the MBA department hosted an exciting Ideation Day event, where students from the Women Empowerment Club actively participated, showcasing their Empowerment spirit. The event featured various creative stalls, where students sold a range of products and services, including Food, Tattoos and Juice items. The event proved to be a great success, with the participating students earning 510 rupees from their efforts. This initiative not only gave students a platform to showcase their skills and creativity but also provided valuable experience in entrepreneurship, teamwork, and customer engagement. It was a memorable and enriching event for everyone involved.
