Women Empowerment Club Activity

Date: 29-01-2025

Time: 01.15-04.05

Venue: MBA Department, First Floor

Coordinator: Mrs. M S Savitha, Assistant Professor(MBA DEPT)

Attendees: 16

Agenda:

1. Fundamentals of the Women Empowerment Club
2. Encouraging Active Student Participation
3. Outline of the Survey
4. Preparation of the Questionnaire

Proceedings:

The meeting began with a warm welcome for Women Empowerment Club. Introduction of club, the objectives of the meeting and importance of women empowerment in today's society were discussed. The meeting emphasized that the club aims to create a platform for students to learn, discuss, and actively participate in initiatives that promote gender equality and women's rights.

The first topic discussed was the **fundamentals of the club**. This provided an overview of the club's mission, vision, and key activities.

The next segment focused on **encouraging students to participate actively** in the club's future activities. The meeting stressed the importance of involvement from each member, noting that active participation not only contributes to personal growth but also helps amplify the club's impact.

Following this, the **outline of the survey** was presented. This explained the purpose of conducting the survey as part of the club's research on women's issues and the challenges women face in various sectors. The survey's objectives, target audience, and expected outcomes was discussed.

Lastly, the **preparation of the questionnaire** was discussed in detail and guided the attendees through the process of designing effective questions that would yield meaningful responses. The importance of clarity and neutrality in the questions to ensure unbiased and

accurate results was discussed. Several sample questions were reviewed, and attendees provided feedback on potential improvements.

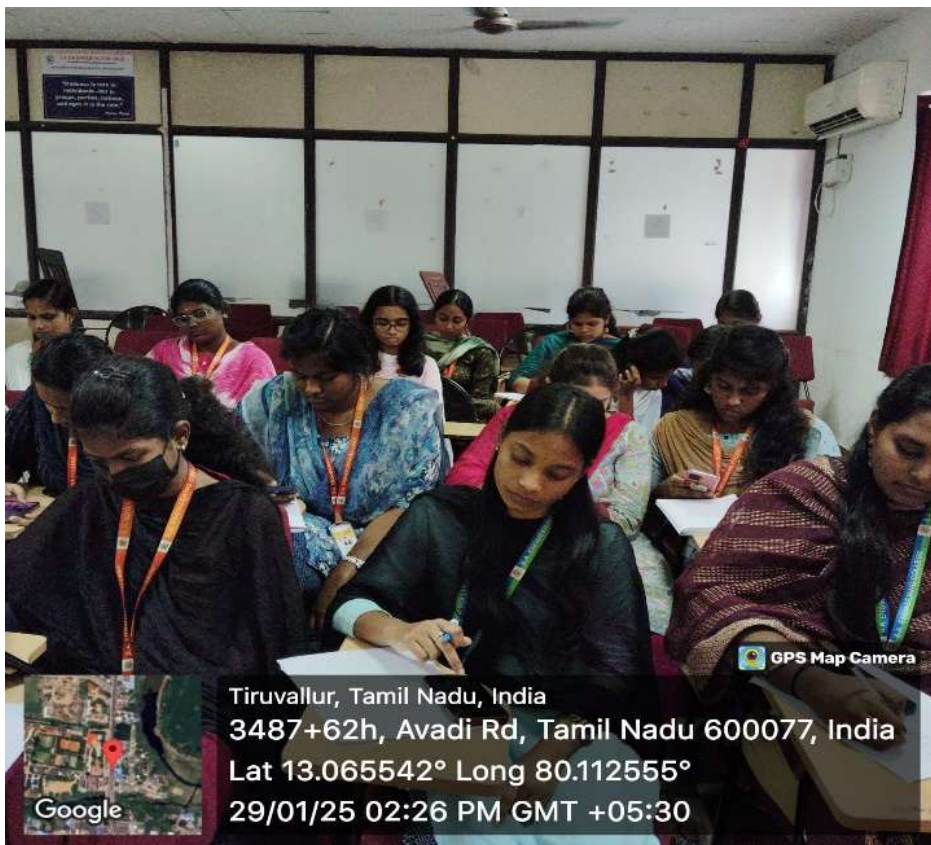

The meeting concluded with a reminder about the next steps in preparing for the survey and assist in the survey distribution process.

Action Points:

- Finalize the survey questions based on the discussion.
- Prepare a timeline for survey distribution.
- Encourage more students to join and participate in the club's activities.
