APP DESIGNING - CLUB BATTLE

Date : 19.02.2025

App Designing - Competition

The App Club successfully conducted a second Activity as an App **Design Competition** for second-year students from various departments on 19/02/2025. A total of **10 registered teams** participated, each consisting of **two members**. The competition was an **on-spot challenge**, where participants were tasked with designing the **UI for a College Canteen Ordering App**. The event was scheduled from **1:40 PM to 3:00 PM**.

Dr. M. Geetha, Professor, IT Department, served as the **judge**, evaluating the designs based on innovation, usability, aesthetics, and functionality. After thorough evaluation, three winning teams were finalized out of the ten competing teams.

The **valedictory function** was graced by the **Principal**, along with the **Overall Club Coordinator, HODs, App Club Coordinator, and IT Department Faculties**. The **Principal distributed prizes** to the top three teams, appreciating their creativity and problem-solving skills.

The competition provided an excellent platform for students to showcase their UI/UX design skills, fostering creativity and technical proficiency. The event concluded on a successful note, with enthusiastic participation and valuable feedback from the judges and faculty members.
