Agenda:

1. How to Draft a Business Plan Proposal to Secure a Loan.

On February 5, 2025, a session was conducted in the MBA department lab on how to draft a business plan proposal to secure a loan. The session began with an overview of the critical components of a business plan, emphasizing the importance of a clear and concise Executive Summary, thorough Market Analysis, and solid financial projections. Then explained how to effectively present the Funding Request, ensuring that the purpose of the loan and the repayment plan are clearly justified. She highlighted the need for transparency and professionalism in presenting financial data to lenders, and also addressed questions from participants regarding structuring repayment plans and managing financial risks. The session concluded with an encouragement for attendees to start drafting their business plans, with future opportunities for review.
