The club focuses on **quiz form preparation, exploring different types of quizzes, and organizing online competitions**. These activities help students develop critical thinking, improve their problem-solving abilities, and foster a spirit of healthy competition. Through its initiatives, the Quiz Club not only enriches learning but also prepares students for competitive challenges in an engaging manner. The club organizes various quiz sessions that encourage students to explore diverse topics, enhance their problem-solving abilities, and develop a competitive spirit. Through its activities, the Quiz Club plays a vital role in promoting learning beyond the classroom.
